

MORE THAN AN INTERFACE. A WHOLE STUDIO.

75+ PLUGINS FREE WITH SELECT INTERFACES
FOR 3 MONTHS WITH ANTELOPE COSMOS.

ANTELOPE COSMOS

75+ World-Class Plugins to Bring a Vision to Life.

Antelope Cosmos provides a complete set of production tools suitable for both beginners mixing their initial track and professionals mastering an entire album. It includes essential effects such as compressors, equalizers, reverbs, delays, pitch correction, modulation tools, metering utilities, and additional processing options.

With a library exceeding 75 plugins-and more added regularly-the collection supports any musical genre or project type, delivering professional-grade capabilities for mixing, mastering, and overall audio production.

HOW IT WORKS

1. Purchase a participating Antelope Audio interface.
2. Find the Bitwig Studio Essentials license code in "My Software" tab of the User Area after device activation.
3. Start the free 3 months** with Antelope Cosmos from "My Offers" tab in the User Area after device activation. No credit card required.

* The provided licenses are a part of a special offer and as such they cannot be resold as a stand-alone.

** For users with active membership, 3 months will be added to their plan for free.
